MAYOR FERN'S INAUGURAL BALL NEW YEAR'S EVE

Mayor Fern's Inaugural Ball!

It will be danced on New Year's Eve on the spacious pavement along Bishop Square, opposite the Young Hotel. Under the warm mid-winter sky of Hawaii, with the balmy breezes of Hawaii's perennial summer blowing, etc., Mayor Fern will lead the grand march and other prominent city and territorial officers will join. That is the plan now on foot by the merchants' association, which is arranging for the big New Year's Eve celebration. Yesterday Julius Unger, who is in charge of arrangements, conceived the idea of a dance on the pavement, and this morning announcements were made that Mayor Fern will be asked to lead the grand march and that the big mid-winter dance is to be called the Mayor's Inaugural Ball.

"Not only would a dance on the pavement be a novel feature in Honolulu and eminently suitable for a carnival of mirth such as we will have on this occasion," said Mr. Unger this morning, "but it will be a great piece of promotion work for Hawaii. The fact that people can dance in the open here all over the world. People in the uttermost parts of Milpitas and Madagascar and Timbuctoo will hear with envy that in Hawaii the stately waltz and the blithesome two-step can be tripped here at twelve o'clock, December 31, with all the comfort and speed that the torches display on the waxed ballroom floors of New York, London or way points.

"Mayor Fern is to be asked to lead the march. The pavement will be scrubbed clean and waxed, so that its surface will be as easy to glide upon as the ice of old New England. There will be music to set the feet twinkling and lights to cheer the New Year's Eve merry-makers to the fullest extent."

Today the committee is sending out the following letter to all the retail merchants in town:

"Gentlemen:—At the meeting of the directors of this association held December 14, 1912, it was unanimously decided to take active steps towards changing the public carnival spirit from Christmas Eve to that of New Year's Eve, believing same to be for the best interests of business and all retail merchants in particular.

"This being the first event in which the Chinese population will celebrate on this occasion, and the fact that the Japanese have always helped to celebrate, it is deemed advisable by the directors of this association that this is a most opportune time to bring about this important change.

"As the previous demonstrations as carried on in the shopping districts of the city on Christmas Eve have proven to be a great menace to retail merchants.

"To aid in bringing about this important change, it is already arranged by the committee in charge, for a public concert, lasting from 8:00 p. m. until midnight, and the Alexander Young Hotel has promised to make an elaborate electrical display. The merchants' association earnestly requests the merchants to refrain from selling confetti and serpentine until after Christmas, and to illuminate their stores on New Year's Eve. With the above aim, the merchants' association respectfully ask the co-operation of every business house, and all individuals in general to make the occasion one of long remembrance.

(Signed) N. B. YOUNG, Assistant Secretary.

All Stomach Distress Quickly Ended with "Pape's Diapepsin"

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain unfailing action in regulating sick, sour, gassy stomachs. It's millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and soars and forms gas; causes headache, dizziness and nausea; eruptions of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.
